

## MONDAY

9.00 - 10.00	Registration
10.00 - 18.00	ILF Open Space meeting : « The international challenges of improving the management of lymphoedema locally ».
18.00 - 19.30	National Lymphoedema Frameworks dinner

## TUESDAY

<b>9.00 - 12.00</b>	<b>Registration</b>					
12.00 - 12.15	<b>Opening Remarks</b> - C. Moffatt CBE					
12.15 - 12.30	<b>Outcomes emerging from the Lymphoedema Frameworks Research</b> - P. Franks					
<b>Session A</b> The Filariasis Patient	<b>12.30 - 15.15</b>					
	<b>12.30 - 13.15</b> <b>Plenary Session</b>			<ul style="list-style-type: none"> <li>• <b>J. Macdonald:</b> WAWLC</li> <li>• <b>N. Stout / P. Brantus:</b> Bridging the gaps</li> <li>• <b>N. Tarur:</b> Morbidity Control</li> </ul>		
	<b>GLOBAL VILLAGE OPENING</b>					
	<b>13.45 - 15.15</b> <b>Interactive Sessions</b>			<b>Skills Development Workshops</b>		
	<b>A1</b> WAWLC: The World Alliance for Wound and Lymphoedema Care <i>J. Macdonald</i>	<b>A2</b> Bridging the gaps <i>N. Stout, P. Brantus</i>	<b>A3</b> Lymphatic Filariasis Morbidity Control: Presentation of cases <i>K.S. Bose, N. Tarur</i>	<b>A5</b> Overview of Exercise and Movement in Lymphoedema <i>K. Johansson, A. Cheville, J. Hidding, L. Jönsson</i>	<b>A6</b> Overview of Diagnostics and Measurement in Lymphoedema <i>N. Piller</i>	
15.15 - 15.45	<b>Exhibition + Posters</b>					
<b>Session B</b> Patients Empowerment	<b>15.45 - 18.00</b>					
	<b>15.45 - 16.30</b> <b>Plenary Session</b>			<ul style="list-style-type: none"> <li>• <b>A. Wallace:</b> Patient Support Network </li> <li>• <b>A. Kennedy:</b> Lymphoedema Frameworks </li> <li>• <b>S. Thiadens:</b> Patients Advocacy</li> </ul>		
	<b>16.30 - 18.00</b> <b>Interactive Sessions</b>			<b>Skills Development Workshops</b>		
	<b>B1</b> How to develop a Patient Support Network <i>A. Wallace, K. Friett</i>	<b>B2</b> National Lymphoedema Frameworks - The Way Forward <i>A. Kennedy</i>	<b>B3</b> Patient Perspective: a global Advocacy Coalition <i>S. Thiadens, B. Weiss</i>	<b>B5</b> Yoga from India <i>K.S. Bose, M. Vivekananda</i>	<b>B6</b> Children with lymphoedema - incidence and treatment <i>E. Földi, H. von Zimmerman</i>	<b>B7</b> IPC: unravelling the facts from the fiction <i>C. Siggers</i>
18.00 - 19.30	<b>Dinner</b>					

## WEDNESDAY

8.00 – 10.15	<b>Session C</b> Children with Lymphoedema	8.00 – 8.45		<ul style="list-style-type: none"> <li>• <b>P. Mortimer:</b> Genetics</li> <li>• <b>J. Todd:</b> Management</li> </ul>				
		<b>Plenary Session</b>		<ul style="list-style-type: none"> <li>• <b>I. Quéré:</b> ILF Document: «Care of children with lymphoedema» </li> </ul>				
		8.45 – 10.15		<b>Interactive Sessions</b>		<b>Skills Development Workshops</b>		
		<b>C1</b>	<b>C2</b>	<b>C5</b>	<b>C6</b>	<b>C7</b>		
		Case Studies of Children with Lymphoedema <i>P. Mortimer</i>	Management of lymphoedema in children and young adults <i>I. Quéré, J. Todd, P. Sanderson</i>	Moving the pregnant patient <i>M. Lauret-Romers</i>	Managing complex Skin problems in lymphoedema <i>D. Doherty</i>	Writing for publication <i>D. Glover</i>		
10.15 – 10.45 <b>Exhibition + Posters + Judging of posters</b> by P. Franks and ILF Board								
10.45 – 13.00	<b>Session D</b> The Bariatric Patient	10.45 – 11.30		<ul style="list-style-type: none"> <li>• <b>E. Földi:</b> Conservative management</li> <li>• <b>M. Flour:</b> Skin changes in the bariatric patient</li> </ul>				
		<b>Plenary Session</b>		<ul style="list-style-type: none"> <li>• <b>B. Terry:</b> Surgical approach</li> </ul>				
		11.30 – 13.00		<b>Interactive Sessions</b>		<b>Skills Development Workshops</b>		
		<b>D1</b>	<b>D2</b>	<b>D3</b>	<b>D5</b>	<b>D6</b>	<b>D7</b>	
		Complex case management using conservative approach <i>E. Földi, S. Ellis</i>	Complex case management using surgery <i>B. Terry</i>	Complex psychosocial and clinical problems in the management of morbid obesity <i>M. Flour</i>	Exercise for lymphoedema treatment <i>A. Hendrickx</i>	The role of Negative Pressure Wound Therapy <i>D. Keast</i>	Treating the bariatric patient <i>A. Wright, G. Close, K. Rutjens, P. Jamieson</i>	
13.00 – 14.45 <b>Lunch + Exhibition</b> 13.15 - 14.45 <b>Breast Cancer Symposium</b> Chair: P. Mortimer, J. Cormier, P. Lievens, J. Armer, K. Kitamura, K. Johansson, R. Peleg								
14.45 – 17.00	<b>Session E</b> Risk Reduction	14.45 – 15.30		<ul style="list-style-type: none"> <li>• <b>J. Armer:</b> Motivational interviewing</li> <li>• <b>J. Cormier:</b> Metrics of measurement</li> </ul>				
		<b>Plenary Session</b>		<ul style="list-style-type: none"> <li>• <b>N. Stout:</b> Reducing risk with self care measures</li> </ul>				
		15.30 – 17.00		<b>Interactive Sessions</b>		<b>Skills Development Workshops</b>		
		<b>E1</b>	<b>E2</b>	<b>E3</b>	<b>E4</b>	<b>E5</b>	<b>E6</b>	<b>E7</b>
		Motivational Interviewing – Role playing <i>J. Armer, C. Brooks, B. Stewart</i>	Compression as prevention <i>N. Stout</i>	How should Lymphoedema be measured? <i>J. Cormier, J. Feldman,</i>	Meditative Exercise <i>M. McClure</i>	Group processes in self management <i>H. Venema, T. Zee, E. Brower</i>	Footwear solutions for swollen feet <i>M.J. Geyer, S. Cavanaugh</i>	Tissue Dielectric constant : a novel tool for oedema assessment <i>A. Immonen</i>
17.00 – 18.30 <b>Exhibition + Posters</b> 17.15 - 18.30 <b>Lipoedema Symposium</b> Chair: I. Forner-Cordero, G. Szolnoky, S. Norton, K. Havens-Galer								
19.30 – 24.00 <b>Conference Dinner + Awards + Barn Dance</b>								

## THURSDAY

<b>Session F</b> Surgery in the management of Lymphoedema	8.00 - 10.15	<b>8.00 - 8.45 Plenary Session</b> <ul style="list-style-type: none"> <li>• <b>A. Munnoch:</b> Surgical Management of Lymphoedema</li> <li>• <b>R. Baumeister:</b> Microsurgery using Lymphatic Grafts</li> <li>• <b>H. Brorson:</b> Liposuction</li> <li>• <b>C. Campisi:</b> Microsurgery</li> </ul>					
		<b>8.45 - 10.15 Interactive Sessions</b>	<b>Skills Development Workshops</b>				
		<b>F1</b> Discussion on the role of surgery and its integration into practice <i>A. Munnoch, H. Brorson, R. Baumeister, C. Campisi</i>	<b>F5</b> Pilates for Lymphoedema <i>C. Pike</i>	<b>F6</b> Education forum <i>M. Sneddon</i>	<b>F7</b> Compression bandages and movement <i>T. Zee, N. Kool, G. Derijk, G. Strik, E. Wijbenga</i>		
	10.15 - 10.45	<b>Exhibition + Posters</b>					
<b>Session G</b> The Palliative Patient	10.45 - 13.00	<b>10.45 - 11.30 Plenary Session</b> <ul style="list-style-type: none"> <li>• <b>A. Towers:</b> Communication and psychosocial issues</li> <li>• <b>V. Keeley:</b> Advanced cancer</li> <li>• <b>D. Keast:</b> Woundcare</li> <li>• <b>J. Simmons:</b> Palliative document </li> <li>• <b>A. Cheville:</b> Creative CDT</li> </ul>					
		<b>11.30 - 13.00 Interactive Sessions</b>	<b>Skills Development Workshops</b>				
		<b>G1</b> « What do I say ? » - Communication and psychosocial issues in palliative care - related lymphedema. <i>A. Towers</i>	<b>G2</b> Assessment of oedema in advanced cancer <i>V. Keeley</i>	<b>G3</b> Creative CDT techniques in palliative care patients with lymphedema <i>A. Cheville, S. Norton</i>	<b>G4</b> Managing fungating wounds <i>D. Keast</i>	<b>G5</b> Salsa for Lymphoedema <i>C. Pike</i>	<b>G6</b> ILF Minimum Dataset <i>P. Franks</i>
	13.00 - 14.30	<b>Lunch + Exhibition</b>					
<b>Session H</b> Dogma vs Science in compression for chronic oedema	14.30 - 17.00	<b>Joint ILF/ICC Meeting Plenary Session</b> <ul style="list-style-type: none"> <li>• <b>P. Mortimer:</b> Chronic oedema</li> <li>• <b>M.J. Geyer:</b> Limb oedema due to immobility</li> <li>• <b>I. Forner-Cordero:</b> What is the evidence that compression is helpful in chronic oedema ?</li> <li>• <b>M. Clark:</b> Limb volume reduction in the clinic</li> <li>• <b>M. Neumann:</b> Inelastic is more effective than elastic compression in reducing capillary filtration rate</li> <li>• <b>R. Damstra:</b> Volume reduction of the lymphoedematous arm depending on compression pressure</li> <li>• <b>H. Partsch:</b> Volume reduction of the leg depending on pressure and compression material in connection with body position and exercise</li> </ul>					
	17.00 - 17.30	<b>Close of conference</b> <i>C. Moffatt CBE</i>
